Personnel Committee Meeting

The Personnel Committee met February 27, 2019 at 5:30PM at City Hall. Present were Mayor Greg Staner, Council members Kelchen and Rausch, City Superintendent Phil Gehl and City Administrator McCusker.

The main purpose of the meeting was to review the few applications received for the seasonal mowing position. Three applications were received. Each person had either previous mowing or groundskeeping experience or experience with running various equipment. Since the position is from June thru August, some potential scheduling conflicts were visible with two of the candidates. Therefore, the third candidate seemed like a reasonable choice. The City Superintendent and City Administrator will meet with the third candidate to discuss the entire position and what is expected of him and to make sure this will be agreeable to him. A possible starting wage was discussed. If this applicant is agreeable to the terms of the position, this will go before the City Council at the March 11th meeting for formal approval.

Committee meeting ended at 5:52PM.
