The March 28, 2017 Cascade Park Board meeting was called to order by Board Member Curry at 6:00 p.m. Board Members Daren Manternach and Brad Boffeli were present. Terry "Cookie" Rausch and Slim Boyle were absent. Also present was City Administrator, Deanna McCusker.

Motion by Boffeli, second by Manternach to approve the meeting minutes from February 6, 2017– all ayes.

Board members received financial reports for the park and the pool for February. Motion by Manternach, second by Boffeli to approve the February financial reports – all ayes.

Board members reviewed wages for the pool staff for the 2017 season. The wages presented are the same as 2016. Motion by Boffeli, second by Manternach to approve the 2017 pool wages – all ayes.

The board again discussed the bleachers at the Community Park. They received information from the EMC Insurance on why the new bleachers were necessary. A few people have voiced their concerns over the new bleachers. Practices have started at the Community Park so hard to really do anything now. The bleachers at the Community Park can possibly be used at the soccer field or somewhere else if we decide to purchase bigger sets of bleachers. Maybe give it one season and see how much of an inconvenience it actually causes and then we can do something before next season. Motion by Boffeli, second by Curry to wait one season on doing something with the bleachers – all ayes.

The equipment at the River View Park needs to be looked at for loose bolts and screws and bolts without any protective covering before the park gets busy. Public works will inspect the equipment in the very near future.

With nothing further, motion by Boffeli, second by Manternach to adjourn the meeting at 6:20p.m. – all ayes.

Deanna McCusker, City Administrator
