Utilities – Billing Charges, Section 5 Discontinuing Service, Fees Subsection 2 Lien For Nonpayment (Second Reading). Roll call vote. All Ayes. Motion carried.

Motion Delaney, second Gehl, Consideration to Approve Ordinance #09-26 – An Ordinance Amending the Code of Ordinances of the City of Cascade, Iowa, By Amending Title VI Physical Environment, Chapter 5 Utilities – Billing Charges, Section 7 Customer Guarantee Deposits (Second Reading). Roll call vote. All Ayes, Motion Carried.

Assistant Police Chief Tyler Hunt talked about Miley, our new full-time police officer is doing very well. Tyler talked about taking Miley to the range and she did very well.

City Administrator Deanna McCusker informed the citizens that the letters and a copy of the ordinance regarding the updated requirements for the second water meters were sent out at the end of September. Deanna reminded everyone we plan on flushing hydrants November 2nd-13th. The Survey on the levee was done Tuesday, September 29th, a report will be provided to us in 2027. Deanna went over the requirements and time period to get a levee certified. There will be early voting on Thursday, October 15 from 9am-3pm at City Hall. Deanna reminded citizens that our fall cleanup will be Saturday, October 17th. Tags are required for appliances, monitors, TV's, and can be purchased at City Hall for \$15. The new snowplow and snowblower/mower arrived on Wednesday, October 7th. McCusker updated the citizens that the Public Safety Campus RFP's are due Wednesday, October 14th. Deanna mentioned she has been fielding phone calls and have met with 4 architects so far. The curbs that were approved to be repaired have been done. The patch on Fox Street will be getting done in the next week.

Motion Hosch, second Gehl to adjourn at 6:45pm. All Ayes. Motion carried.

Adam Schuster, City Clerk

Steven J. Knepper, Mayor

3RD AVE SW & HAYES ST SW RECONSTRUCTION

DATE: October 12, 2026

PROJECT UPDATE #11

Connolly Construction started the first half of the week working on water main. The new water main is now complete all the way through the 4th Ave SW intersection.

On Wednesday the crew shifted gears and began working on storm sewer in the 4th Ave SW intersection. That morning, they removed an existing storm structure, and in the afternoon, they poured the foundation for a new intake. From Thursday morning until Friday morning, the new intake was framed. On Friday afternoon concrete was poured, and the new intake began curing.

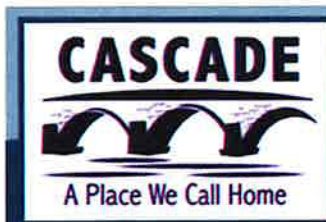

During the upcoming week Connolly is expected to continue working on storm sewer in the 4th Ave SW intersection. Two additional structures and approximately 132 ft of pipe are expected to be installed. Later in the week, water services will begin to get connected to the new water main. Houses between the 4th Ave SW intersection and the Reiff Funeral Home can expect brief water outages to occur while their homes are being connected.

Residents can expect intermittent traffic delays within the project area as construction equipment moves and work is performed. Residents are urged to please use caution around the ongoing construction. While access to driveways will be maintained, there may be temporary restrictions and delays during certain phases of the work. Connolly's crew will work with each resident as necessary to minimize impacts to access.

If you have questions throughout construction, please do not hesitate to contact Hunter Nix with MSA.

3RD AVE SW & HAYES ST SW RECONSTRUCTION

DATE: October 19, 2026

PROJECT UPDATE #12

Connolly Construction started the first half of the week continuing to work on storm sewer at the 4th Avenue SW intersection. Over the course of three days: storm structures were set, pipe was installed, and concrete collars were poured. All storm utilities are now completed.

On Thursday the crew battled weather but still managed to work a full day. Trenches were backfilled and pavement was removed south of the 4th Avenue SW intersection. Mainline sanitary sewer was installed on Friday, as the crew continues working south towards the 5th Avenue SW intersection.

During the upcoming week Connolly is expected to continue working on the sanitary sewer. Once the sanitary main is completed, water services will begin to get connected to the new water main. Houses between the 4th Ave SW intersection and the Reiff Funeral Home can expect brief water outages to occur while their homes are being connected.

Residents can expect intermittent traffic delays within the project area as construction equipment moves and work is performed. Residents are urged to please use caution around the ongoing construction. While access to driveways will be maintained, there may be temporary restrictions and delays during certain phases of the work. Connolly's crew will work with each resident as necessary to minimize impacts to access.

If you have questions throughout construction, please do not hesitate to contact Hunter Nix with MSA.

To: Mayor, City Council and Staff
RE: Planning & Zoning Appointments
From: Deanna McCusker, City Administrator

Three commission members' terms expired on 9/30/26 on the Planning & Zoning commission. The one member agreed to take another three-year term. The other two members have been on a long time and didn't want to take another term.

I put a post about the vacancies on our website and Facebook. I received three letters of interest earlier and then received two today. I know all of them except one plan on being at the meeting and could present to the council on why they want to be on the commission, but this is not a requirement.

They all would be an asset to the Planning & Zoning commission. Council will need to consider which two people will be the best for the commission and approve Resolution #102-26.

I have all their letters of interest included in the packet for your review.

RESOLUTION #102-26

**RESOLUTION APPROVING TWO PLANNING AND ZONING COMMISSION
MEMBER APPOINTMENTS TO FILL TWO EXPIRED TERMS THROUGH
SEPTEMBER 30, 2029 IN THE CITY OF CASCADE, IA**

WHEREAS, Chapter 2-8 of the Code of Ordinances of the City of Cascade grants authority to the City Council to appoint members of the Planning and Zoning Commission; and,

WHEREAS, the Planning and Zoning Commission has two vacancies for a term that expired September 30, 2026; and,

WHEREAS, five people have expressed interest in the vacant positions.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA, that _____ and _____ is appointed to fill the vacant terms from October 26, 2026 until September 30, 2029 for the Planning and Zoning Commission.

PASSED, APPROVED AND ADOPTED this 26th day of October, 2026.

Steve Knepper, Mayor

ATTEST:

Adam Schuster, City Clerk

John E. Noonan

1211 5th Ave East

Cascade, Iowa 52033

(563) 590-4862

Attn: Deanna McCusker (City Administrator of Cascade)

I would like to be considered for appointment with the Cascade Planning and Zoning Board.

I have been a resident of Cascade for most of my life, having grown up here and received most of my education here; followed by a 45-year career at my family's business, Cascade Lumber Company; retiring three years ago this October.

My experiences were primarily involved in the Retail department in operations, supply chain management, marketing, warranty enforcement, and for the majority of my career, customer relations, I believe that serving on several boards on my family's businesses, as well as some of the boards of different local organizations provided me a good deal experience in how boards should and ought to function.

Having been involved in what is known as part of "the trades" or construction, but not a contractor, I believe some knowledge of construction, and in my case mostly residential, but some light commercial is an advantage.

As it appears that there's a recent concern by some citizen about a "conflict of interest" I can state without reservation that I have no ownership whatsoever, whether directly or indirectly in Cascade Lumber Company and its subsidiaries.

Thank you.

John E. Noonan

Andrew Saunders

Cascade, Iowa

September 16, 2026

Mayor Steve Knepper and Members of the Cascade City Council
City of Cascade
320 1st Avenue West
P.O. Box 400
Cascade, Iowa 52033

Dear Mayor Knepper and Members of the City Council:

I am writing to formally express my interest in serving on the Cascade Planning & Zoning Commission following the City's announcement of the current vacancies.

Since moving to Cascade in 2023, I have become increasingly involved in issues affecting the future of our community. Recent discussions surrounding development, infrastructure, utilities, economic growth, and land use have only strengthened my interest in becoming more directly involved in the process.

Professionally, I currently work in Marion, Iowa, for a multinational company and have spent much of my career working in information technology, infrastructure, systems engineering, project management, and technical planning. I am also a U.S. Navy veteran. Those experiences have taught me to evaluate complicated issues by gathering information, asking questions, understanding technical details, weighing competing concerns, and making decisions based on the available evidence.

I believe that approach would serve the Planning & Zoning Commission well. Development decisions can have effects that last for decades, and I believe they deserve careful consideration of property rights, infrastructure capacity, economic opportunity, neighboring property owners, environmental impacts, and the City's long-term plans.

I would approach the position with an open mind. My role would not be to arrive with predetermined answers, but to understand each proposal individually, apply the City's ordinances consistently, listen to residents and applicants, ask difficult questions when necessary, and make recommendations based on the facts and the best interests of Cascade as a whole.

I care deeply about this community and would appreciate the opportunity to contribute my time and experience to its future planning.

Please consider this letter my formal request to be considered for one of the available positions on the Cascade Planning & Zoning Commission. I would be happy to answer any questions or meet with the Mayor, Council, or City staff as part of the appointment process.

Thank you for your consideration.

Sincerely,

Andrew Saunders

Subject: Addendum to Planning & Zoning Commission Letter of Interest

Mayor Knepper and Members of the City Council,

I recently submitted a letter expressing my interest in serving on the Cascade Planning & Zoning Commission. After sending it, I realized I had omitted a piece of prior professional experience that is particularly relevant to the position.

Earlier in my career, I worked for the State of Utah's School and Institutional Trust Lands Administration (SITLA). In that role, I worked within an organization responsible for managing state trust lands, including leases, property rights, and other matters involving the administration and use of public land.

That experience gave me direct exposure to the practical, administrative, and technical considerations surrounding land use, leases, property interests, and long-term land management. Given the responsibilities of the Planning & Zoning Commission, I wanted to make sure this experience was included as part of my expression of interest.

Please consider this email an addendum to the letter I previously submitted.

Thank you again for your consideration.

Andrew Saunders
Cascade, Iowa

Request for Consideration – Cascade Planning & Zoning Committee

Dear City Council Members,

I would like to be considered for a position on the Cascade Planning and Zoning Committee.

As a longtime real estate professional and a member of the Cascade community, I believe my background would allow me to bring a valuable perspective to the committee. My work in real estate has given me firsthand experience with residential properties, commercial buildings, development, property values, zoning considerations, and the challenges that property owners and business owners face when trying to improve or develop their properties.

I have also been involved in Cascade economic development, where I have developed an even greater interest in the future growth and vitality of our community. I care deeply about seeing Cascade grow while maintaining the character and qualities that make our community a great place to live and do business.

In addition to real estate, I have extensive experience in construction and remodeling through working alongside my husband and Williams Construction. I have been involved in decisions involving layouts, materials, finishes, functionality, and the transformation of both residential and commercial spaces. I am also currently pursuing interior design education, which has further strengthened my interest in architecture, design, land use, and how spaces can be thoughtfully developed.

One of the things I enjoy most about my work is looking at a property and seeing its potential—whether that means a new business, a redevelopment opportunity, a renovation, or a better use of an existing space. I frequently find myself looking at commercial properties and thinking about how they could be improved or what type of business could succeed there.

I believe I could contribute to Planning and Zoning by bringing a combination of **real estate experience, construction knowledge, design education, economic development experience, and a genuine interest in Cascade's future**. I understand that responsible growth requires balancing property rights, community needs, safety, infrastructure, aesthetics, and long-term planning.

I would appreciate the opportunity to serve and to be part of thoughtful discussions about how Cascade can continue to grow, develop, and remain a strong community for both residents and businesses.

Thank you for considering my request.

Sincerely,

Tara Williams

Re: Letter of Interest — Planning & Zoning Commission

Dear Mayor Knepper and Members of the City Council:

I am a resident of Cascade and a graduate of Cascade High School, and I am writing to express my interest in appointment to a vacant seat on the City of Cascade Planning & Zoning Commission.

My background is in manufacturing operations, production planning, and workforce development, with more than 25 years of experience. I currently serve as Operations Training Manager for Red Star Yeast Company (Lesaffre) in Cedar Rapids — a role created in November 2023, and the only one of its kind in the company's North American operations. Before that, I worked as a Senior Materials Requirements Planner at PMX Industries, planning production around demand forecasts, inventory, and downstream manufacturing needs. The bulk of my career — from 2000 to 2022 — was at Kimberly-Clark in Chester, Pennsylvania, where I led a 24/7 manufacturing operation producing roughly 125 metric tons per day, with responsibility for 20 direct and 6 indirect reports, daily safety, quality, and production performance, and support of capital projects from equipment specifications through commissioning and handover.

I believe that experience is directly relevant to the Commission's work. I know from the plant side how industrial facilities actually operate — their utility demands, traffic, safety obligations, and workforce needs — and I have spent a career reading proposals, plans, and numbers and asking whether they hold up. Production planning is, at its core, the same discipline the Commission practices: matching land, capacity, and infrastructure to present needs and future growth, in the right order. I have also served on a school board, so I understand public meetings, public records, and the obligation to decide on the record and on the evidence.

I have reviewed the City Code provisions governing the Commission (Title II, Chapter 8) and the City's zoning ordinance, and I understand the Commission's role in reviewing subdivision plats, rezoning requests, and proposed amendments to the zoning ordinance, and in making recommendations to the City Council. I believe careful, code-based review of land-use questions is important to Cascade's future, and I would be glad to contribute to that work.

I understand the Commission does not meet on a fixed monthly cadence and instead convenes as applications, referrals, and other business require. I am willing to attend meetings as they are scheduled, devote the time necessary to review the materials in advance, and serve the remainder of the term for the seat to which I am appointed.

I understand the City announced an October 7 deadline for letters of interest. If either Planning & Zoning seat remains unfilled, I respectfully ask that this letter be considered.

Thank you for your time and consideration. I can be reached at 302-299-0387 or mtkjrogers41@gmail.com.

Respectfully,

A handwritten signature in black ink, appearing to read "Michael J. Rogers". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

Mayor Steve Knepper
City Administrator Deanna McCusker
City of Cascade
Cascade, Iowa

Re: Letter of Interest – Planning and Zoning Commission

Dear Mayor Knepper and City Administrator McCusker:

I am writing to express my interest in serving on the City of Cascade Planning and Zoning Commission. I am seeking this opportunity because I care deeply about the future of Cascade and believe that, after living here as a homeowner since 2011, working in the community, and serving local youth and families, I have gained a perspective that I could put to good use in serving the city.

Cascade is more than simply the place where I own a home. It is a community in which I have invested my time, career, and energy. I want to see Cascade continue to be a strong community where families want to live, businesses can succeed, and responsible development can take place while maintaining the character and qualities that make Cascade a great place to call home.

I am a state-licensed HVAC professional with 15 years of industry experience and currently serve as a community college HVAC instructor. My career has provided me with practical experience involving building systems, construction practices, codes and regulations, safety, troubleshooting, and problem-solving. As an instructor, I also work every day with students to develop technical skills, communicate effectively, evaluate problems, and make sound decisions. I believe this combination of hands-on industry experience and education would allow me to bring a practical perspective to planning and zoning discussions.

Before entering the HVAC profession, I served four years in the United States Navy as an Aviation Electronics Technician. My Navy experience taught me the importance of discipline, accountability, attention to detail, safety, following established procedures, and solving problems methodically. These are values that I continue to carry into my professional and community life.

Community service has also been an important part of my life. I have been involved with our local Scout troop as an adult volunteer for four years and have served as an Assistant Scoutmaster for five years and Scoutmaster for five years. These leadership experiences have taught me the value of listening, working with people from different backgrounds, taking responsibility, and putting the needs of others and the organization ahead of personal interests.

I understand that Planning and Zoning Commission decisions can have a lasting impact on property owners, businesses, neighborhoods, and the community as a whole. I would take that responsibility seriously. My goal would not be to approach issues with a predetermined agenda, but rather to listen carefully, understand the facts, consider the applicable regulations and comprehensive planning goals, and help make thoughtful and fair decisions that serve the long-term interests of Cascade.

I also believe that good planning requires finding the right balance. We need to encourage responsible growth and economic opportunity while respecting existing neighborhoods, property owners, infrastructure, safety, and the overall character of our community. I would bring a practical, fair, and common-sense approach to those discussions.

As a longtime Cascade homeowner, Navy veteran, licensed trades professional, educator, and community volunteer, I believe I can bring a unique combination of practical experience, technical knowledge, leadership, and community perspective to the Commission. Most importantly, I would bring a genuine desire to serve Cascade and help make our community an even better place for the people who live here today and for those who will call Cascade home in the future.

Thank you for considering my application and my willingness to serve. I would be honored to have the opportunity to contribute to the City of Cascade through service on the Planning and Zoning Commission. I would welcome the opportunity to discuss my interest and qualifications with you.

Sincerely,

William Kramer

RE: Board of Adjustment Member
From: Deanna McCusker, City Administrator

A member's term on the Board of Adjustment expired on June 30, 2026 and she did not want another term. We have been advertising for a new member since then. We finally have someone who is willing to serve on the Board. Susie Steffen has agreed to a 5-year term that expires on June 30, 2031.

Resolution #103-26 is ready to be approved.

RESOLUTION #103-26

**RESOLUTION APPROVING A BOARD OF ADJUSTMENT APPOINTMENT TO FILL
A VACANT TERM THROUGH JUNE 30, 2031 IN THE CITY OF CASCADE, IA**

WHEREAS, Chapter 165.30 of the Zoning Code of the City of Cascade grants authority to the City Council to appoint members of the Board of Adjustment; and,

WHEREAS, the Board of Adjustment has a vacancy for a term that expired June 30, 2026; and,

WHEREAS, one person expressed interest in the position.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA, that Susie Steffen is appointed to fill the vacant term from October 26, 2026 until June 30, 2031 for the Board of Adjustment.

PASSED, APPROVED AND ADOPTED this 26th day of October, 2026.

RE: Meal Reimbursement Policy
From: Deanna McCusker, City Administrator

Back in 2016, City Council passed a resolution approving the mileage reimbursement for training events to be reimbursed at the current annual IRS rate. This creates a simple reimbursement policy that doesn't have to be updated every year.

I noticed that our current daily meal reimbursement amount is \$50.00. This amount is for breakfast, lunch and dinner. The current daily IRS reimbursement amount is \$68.00. With increasing costs for three meals, I would recommend that we approve the daily meal reimbursement amount to follow the annual IRS amount each year.

When employees or elected officials attend training, we will review the annual IRS reimbursement amount and follow that. If Council is agreeable, Resolution #100-26 is ready to approve.

RESOLUTION #100-26

**A RESOLUTION APPROVING MEAL REIMBURSEMENT AT
THE IRS APPROVED RATES**

WHEREAS, the City recognizes that city officials and employees may incur meal expenses while traveling on official city business; and,

WHEREAS, the City desires to establish a consistent reimbursement policy in accordance with applicable Internal Revenue Service (IRS) guidelines.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA, that the City does hereby approve reimbursement for eligible meals incurred during authorized official business travel at the established IRS rate, subject to travel requirements and documentation.

BE IT FURTHER RESOLVED that this resolution shall become effective upon approval by the City Council.

PASSED AND APPROVED this 26th day of October, 2026.

Steve Knepper, Mayor

Per Diem Meal Allowance: GSA Rates, High-Low Method, and Tax Rules

September 24, 2026

A per diem meal allowance is a flat daily amount an employer pays a business traveler to cover food, tips, and small incidentals instead of reimbursing every receipt. For fiscal year 2026, the standard federal rate for meals and incidental expenses (M&IE) is \$68 per day in most of the continental United States, rising in tiers to \$92 per day in the most expensive metro areas. Payments at or below the federal rate for your destination stay tax-free when your employer follows the IRS substantiation rules; anything above that rate, or paid outside those rules, becomes taxable wages.

FY2026 Meal and Incidental Rates

The General Services Administration sets M&IE rates for the continental U.S., updated each October 1. For FY2026 the rates fall into five tiers, unchanged from FY2025.¹ Each tier breaks down by meal:²

- \$68: \$16 breakfast, \$19 lunch, \$28 dinner, \$5 incidentals
- \$74: \$18 breakfast, \$20 lunch, \$31 dinner, \$5 incidentals
- \$80: \$20 breakfast, \$22 lunch, \$33 dinner, \$5 incidentals
- \$86: \$22 breakfast, \$23 lunch, \$36 dinner, \$5 incidentals
- \$92: \$23 breakfast, \$26 lunch, \$38 dinner, \$5 incidentals

RE: Set Date for Urban Renewal Hearing
From: Deanna McCusker, City Administrator

Council recently approved three TIF Downtown Loans for TMB Properties and ROSO Properties. The City needs to enter into an economic development loan with the 2 property owners for three properties, so we need to update our urban renewal area to have the ability to recoup this money if the loans are defaulted. Also, we want to look at providing a Downtown Business Incentive Program that is for building owners or business owners to renovate their buildings. The \$50,000 will get certified on the TIF Certification for FY28.

At this meeting we will just be setting the date for the public hearing, which will be November 23, 2026. Before that date a consultation meeting needs to be scheduled with the school district and Dubuque County.

Loan documents including a mortgage will be drawn up for the property owners and payments to the City will commence in January 2027.

Resolution #101-26 is setting the public hearing date for November 23, 2026.

SET DATE FOR HEARING ON URBAN
RENEWAL PLAN AMENDMENT

419871-New

Cascade, Iowa

October 26, 2026

The Council of the City of Cascade, Iowa, met on October 26, 2026, at 6:00 p.m., at the Council Chambers, in the City, for the purpose of setting a date for a public hearing on a proposed urban renewal plan amendment. The Mayor presided and the roll being called, the following members of the Council were present and absent:

Present: _____

Absent: _____.

The Mayor announced that an amendment to the urban renewal plan for the Cascade Urban Renewal Area had been prepared, and that it was now necessary to set a date for a public hearing on the proposed amendment to the urban renewal plan. Accordingly, Council Member _____ moved the adoption of the following resolution entitled "Resolution Setting Date for Public Hearing on Urban Renewal Plan Amendment for the Cascade Urban Renewal Area," and the motion was seconded by Council Member _____. Following due consideration, the Mayor put the question on the motion and the roll being called, the following named Council Members voted:

Ayes: _____

Nays: _____.

Whereupon, the Mayor declared the resolution duly adopted as follows:

RESOLUTION NO. 101-26

Resolution Setting Date for Public Hearing on Urban Renewal Plan Amendment
for the Cascade Urban Renewal Area

WHEREAS, the City Council of the City of Cascade, Iowa (the "City"), by resolution previously created the Cascade Urban Renewal Area (the "Urban Renewal Area") and adopted an urban renewal plan (the "Plan") for the governance of projects and initiatives therein; and

WHEREAS, an amendment (the "Amendment") to the Plan has been prepared which authorizes the undertaking of new urban renewal projects in the Urban Renewal Area consisting of (i) providing economic development assistance to TMB Properties LLC ("TMB") in connection with the renovation of an existing building by TMB to include office space and the completion of exterior improvements; (ii) providing economic development assistance to ROSO Properties, L.L.C. ("ROSO") in connection with the redevelopment of an existing building by ROSO for mixed-use purposes, including commercial and residential apartment units, and the completion of exterior improvements; (iii) providing economic development assistance to ROSO in connection with the redevelopment of the first floor of an existing building by ROSO into commercial retail space and the completion of exterior improvements; and (iv) using tax increment financing to pay the costs of undertaking the Downtown Business Incentive Program; and

WHEREAS, it is now necessary that a date be set for a public hearing on the Amendment;

NOW, THEREFORE, Be It Resolved by the City Council of the City of Cascade, Iowa, as follows:

Section 1. This City Council will meet at the Council Chambers, Cascade, Iowa, on November 23, 2026, at 6:00 p.m., at which time and place it will hold a public hearing on the proposed Amendment.

Section 2. The City Clerk shall publish notice of said hearing, the same being in the form attached hereto, which publication shall be made in a legal newspaper of general circulation in the City, which publication shall be not less than four (4) and not more than twenty (20) days before the date set for hearing.

Section 3. Pursuant to Section 403.5 of the Code of Iowa, the City Administrator, or her designee, is hereby designated as the City's representative in connection with the consultation process which is required under that section of the urban renewal law. It is hereby directed that representatives of Dubuque County and the Western Dubuque Community School District be invited to participate in the consultation

Passed and approved this October 26, 2026.

Mayor

Attest:

City Clerk

CITY OF CASCADE, IOWA
URBAN RENEWAL PLAN AMENDMENT
CASCADE URBAN RENEWAL AREA

November, 2026

The Urban Renewal Plan (the “Plan”) for the Cascade Urban Renewal Area (the “Urban Renewal Area”) of the City of Cascade, Iowa (the “City”) is being amended for the purpose of identifying new urban renewal projects to be undertaken in the Urban Renewal Area.

1) Identification of Project. By virtue of this amendment, the list of authorized urban renewal projects in the Plan is hereby amended to include the following project descriptions:

A.

Name of Project: TMB Properties LLC Office Space Redevelopment Project

Date of Council Approval of Project: November 23, 2026

Description of the Project: TMB Properties LLC (the “Developer”) has undertaken the redevelopment of an existing building situated at 307 1st Avenue West (the “Project”), including the renovation of the building to accommodate office space and the completion of exterior improvements.

The costs incurred by the City in providing economic development assistance to the Developer will include legal and administrative fees (the “Admin Fees”) in an amount not to exceed \$7,000.

Description of Use of TIF for the Project: The City intends to enter into an economic development loan agreement with the Developer and to provide an economic development loan (the “Loan”) to the Developer thereunder in an amount not to exceed \$50,000. The proceeds of the Loan will be used by the Developer to repay a credit facility entered into by the Developer to finance the costs of the Project.

The City intends to fund the Loan through an internal advance of City funds on hand. The Developer will be obligated to repay the Loan in accordance with the terms of the economic development loan agreement. To the extent the Developer fails to repay the Loan, the City may use incremental property tax revenues derived from the Urban Renewal Area to repay the outstanding balance of the internal advance.

It is anticipated that the City's total commitment of incremental property tax revenues with respect to the Project will not exceed \$50,000, plus the Admin Fees and any interest expense incurred by the City in connection with the internal advance.

B.

Name of Project: Roso Properties, L.L.C. Mixed-Use Redevelopment Project

Date of Council Approval of Project: November 23, 2026

Description of the Project: Roso Properties, L.L.C. (the “Developer”) has undertaken the redevelopment of an existing building situated at 109 1st Avenue West (the “109 1st Ave W Project”) into a mixed-use building including commercial units and apartment units and the completion of exterior improvements.

The costs incurred by the City in providing economic development assistance to the Developer will include legal and administrative fees (the “Admin Fees”) in an amount not to exceed \$7,000.

Description of Use of TIF for the Project: The City intends to enter into an economic development loan agreement with the Developer and to provide an economic development loan (the “Loan”) to the Developer thereunder in an amount not to exceed \$23,000. The proceeds of the Loan will be used by the Developer to repay a credit facility entered into by the Developer to finance the costs of the 109 1st Ave W Project.

The City intends to fund the Loan through an internal advance of City funds on hand. The Developer will be obligated to repay the Loan in accordance with the terms of the economic development loan agreement. To the extent the Developer fails to repay the Loan, the City may use incremental property tax revenues derived from the Urban Renewal Area to repay the outstanding balance of the internal advance.

It is anticipated that the City's total commitment of incremental property tax revenues with respect to the 109 1st Ave W Project will not exceed \$23,000, plus the Admin Fees and any interest expense incurred by the City in connection with the internal advance.

C.

Name of Project: Roso Properties, L.L.C. Retail Redevelopment Project

Date of Council Approval of Project: November 23, 2026

Description of the Project: Roso Properties, L.L.C. (the “Developer”) has undertaken the redevelopment of the first floor of an existing building situated at 113 1st Avenue West (the “113 1st Ave W Project”) into a commercial retail space and the completion of exterior improvements.

The costs incurred by the City in providing economic development assistance to the Developer will include legal and administrative fees (the “Admin Fees”) in an amount not to exceed \$7,000.

Description of Use of TIF for the Project: The City intends to enter into an economic development loan agreement with the Developer and to provide an economic development loan (the “Loan”) to the Developer thereunder in an amount not to exceed \$26,500. The proceeds of the Loan will be used by the Developer to repay a credit facility entered into by the Developer to finance the costs of the 113 1st Ave W Project.

The City intends to fund the Loan through an internal advance of City funds on hand. The Developer will be obligated to repay the Loan in accordance with the terms of the economic development loan agreement. To the extent the Developer fails to repay the Loan, the City may use incremental property tax revenues derived from the Urban Renewal Area to repay the outstanding balance of the internal advance.

It is anticipated that the City's total commitment of incremental property tax revenues with respect to the 113 1st Ave W Project will not exceed \$26,500, plus the Admin Fees and any interest expense incurred by the City in connection with the internal advance.

D.

Name of Program: Downtown Business Incentive Program

Date of Council Approval of Program: November 23, 2026

Description of Program: The City acknowledges the importance of the success of businesses located in the City’s downtown district to the promotion of economic development and blight alleviation in the Urban Renewal Area. Under the Downtown Business Incentive Program, the City will provide economic development forgivable loans and/or grants (the “Financial Incentives”) to assist local business owners situated in the City’s downtown district with (i) façade improvements; (ii) signage improvements; (iii) building or land acquisition costs; (iv) capital improvements; (v) accessibility improvements; (vi) utility upgrades; (vii) site development and (viii) other projects approved by the City Staff. The City staff will develop appropriate materials, including agreements and applications, for the administration of the Downtown Business Incentive Program.

Description of Use of TIF for the Program: It is anticipated that the City will fund the Financial Incentives with borrowed funds and/or with the proceeds of internal advances of City funds on hand. In any case, the City’s obligations (the “Obligations”) will be repaid with incremental property tax revenues derived from the Urban Renewal Area. The amount of incremental property tax revenues to be expended by the City in connection with the Downtown Revitalization Incentive Support Program will not exceed \$250,000, plus any interest expense incurred by the City on the Obligations, over the course of the City’s 2027 through 2031 fiscal years.

2) Required Financial Information. The following information is provided in accordance with the requirements of Section 403.17 of the Code of Iowa:

Constitutional debt limit of the City:	<u>\$14,321,950</u>
Outstanding general obligation debt of the City:	<u>\$</u>
Proposed debt to be incurred in connection with this November, 2026 Amendment*:	<u>\$ 370,500</u>

*It is anticipated that some or all of the debt incurred hereunder may be made subject to annual appropriation by the City Council.

To: Mayor, City Council and Staff
RE: Sewer Forgiveness
From: Deanna McCusker, City Administrator

The property at 127 1st Ave W, apartment had a water pipe burst. There was no floor drain in the basement, so the water did not go down the sewer. They have no problem paying the water bill, but since the water technically didn't go down the sewer they feel they shouldn't have to pay for the sewer.

I have attached the policies on the one-time forgiveness for both water and sewer. They have used both their water and sewer one-time forgiveness at this location previously.

Council will need to review and consider if another sewer forgiveness is warranted in this situation. The property owner plans on attending the meeting and can answer any other questions that council may have.

RESOLUTION #100-24

**A RESOLUTION ADOPTING AN UPDATED WATER AND SEWER BILL
ADJUSTMENT POLICY FOR THE CITY OF CASCADE, IOWA**

WHEREAS, the City of Cascade previously adopted Resolution #60-23 outlining an adjustment policy for water and sewer bills; and,

WHEREAS, the sewer and water fees are calculated on the water usage; and,

WHEREAS, the Council has previously received requests for a portion of a resident's water and sewer utility bill to be forgiven when not all of the water entered the sewer system or the excess water usage was due to an event outside the resident's control, such as a break or malfunction; and,

WHEREAS, the Council deems it necessary and appropriate to set forth a policy which the Council and the Citizens may look at when considering a forgiveness request.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA:

SECTION 1: Each resident is allowed a **one-time** forgiveness on their water bill, if the water usage exceeds 20,000 gallons. The actual adjustment will be calculated based on the gallons in excess of their previous 12-month average.

SECTION II: Each resident is allowed a **one-time** forgiveness on their sewer bill, if the water usage exceeds 20,000 gallons. The actual adjustment will be calculated based on the gallons in excess of their previous 12-month average

SECTION III: Forgiveness on both water and sewer utility bills is allowed only if it can be verified that the excess usage was due to a break or malfunction to a relative degree of certainty.

SECTION IV: A water and/or sewer forgiveness request must be submitted in writing and include the reason for the excess usage and include supporting documentation if available and be approved by the City Administrator.

PASSED AND APPROVED this 14th day of October, 2024.

Steven Knepper, Mayor

October 26, 2026 Agenda

Date: October 23, 2026
To: Mayor, City Council and Staff
RE: Police Vehicle Purchase
From: Deanna McCusker, City Administrator

The Police Department purchases a new police vehicle every 5 years. Quotes have been received from Herb Green Ford on the following 3 vehicles:

2027 Ford Police Interceptor SUV plus upfitting	\$69,422.27
2027 Ford Police Interceptor SUV EcoBoost plus upfitting	\$71,966.27
2027 F-150 Police Responder Super Crew 4x4 plus upfitting and other items	\$72,438.04

Assistant Chief Hunt will be present at the meeting to review the options and make his recommendation to the Council.

Since we annually transfer funds to the Police Reserve fund, there is a balance of \$138,149 in that fund.

If Council is ready to authorize the purchase of a new police vehicle, Resolution #105-26 is available to approve.

RESOLUTION #105-26

**A RESOLUTION APPROVING THE PURCHASE OF A NEW POLICE VEHICLE FOR
THE CITY OF CASCADE, IOWA**

WHEREAS, the Cascade Police Department has a five-year rotation for purchasing new vehicles; and,

WHEREAS, Police Department currently has a 2017 and a 2021 Ford Explorer as part of its fleet; and,

WHEREAS, the Police Department received quotes from Herb Green Ford for three vehicles plus the upfitting from RACOM to replace the 2017 Ford Explorer, that include:

2027 Ford Police Interceptor Utility SUV plus upfitting	\$69,422.27
2027 Ford Police Interceptor Utility SUV EcoBoost plus upfitting	\$71,966.27
2027 F-150 Police Responder Super Crew 4x4 plus upfitting, fiberglass	
Cap, decked drawer system (Tonneau bed cover instead of cap -\$1,414.78)	\$72,438.04

WHEREAS, the City annually allocates funds to the Police Reserve account and currently has a balance of \$138,149; and,

WHEREAS, there is adequate funding available for a new police vehicle.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the city of Cascade, Iowa, authorizes the Police Department to proceed with the purchase of the _____ from Herb Green Ford in the amount of _____.

PASSED, APPROVED AND ADOPTED this 26th day of October, 2026.

Steve Knepper, Mayor

*some vehicle specs are from 2026 models (2027 Michigan State Police testing not yet completed/published)

OPTION 1 2027 FORD POLICE INTERCEPTOR UTILITY SUV 3.3L TI-VCT V6 ENGINE

Pros

Cheapest cost (\$3,016 cheaper than option 3, \$2,500 cheaper than option 2)
Better turning radius than option 3 (40.4' compared to 47.8')
Combined fuel economy 1 mpg better than option 3
Reliable engine

Cons

Slow acceleration compared to significant portion of vehicles on roadway, especially highway speed acceleration
Limited cargo space
Limited passenger capability/space
Combined fuel economy 1 mpg lower than option 2
Lower ground clearance
Worst resale value estimate (\$6,576 less than option 3, \$2,086 less than option 2)
Nowhere to haul bikes, range targets, or larger items
Need to put live traps/animals inside vehicle to transport
Generally poor reputation for performance abilities

OPTION 2 - 2027 FORD POLICE INTERCEPTOR UTILITY SUV 3.0L V6 ECOBOOST ENGINE

Pros

Better turning radius than option 3 (40.4' compared to 47.8')
Combined fuel economy 2 mpg better than option 3, 1 mpg better than option 1
Great acceleration and top speed
Reliable reputation for performance engine
Cheaper cost than option 3

Cons

Limited cargo space
Limited passenger capability/space
Lower ground clearance
Lower resale estimate than option 3
Nowhere to haul bikes, range targets, or larger items
Need to put live traps/animals inside vehicle to transport
More expensive than option 1
More important to stick to maintenance schedule to maintain reliability

OPTION 3 - 2027 F-150 POLICE RESPONDER SUPERCREW 4X4

Pros

Resale estimate more than doubles original extra cost over option 1, and is more than 9x the added cost over option 2

Plenty of passenger space

Plenty of interior storage space

Additional storage space in rear drawer system

Cargo space in bed for live traps, animals, range gear/targets, bicycles, cones, etc.

Great acceleration

Capability to pull EMS trailer in case of emergency vs. EMS member using personal vehicle

Higher ground clearance

Reliable reputation for performance engine

F-150 is now pursuit rated

Larger vehicles are generally safer in traffic accidents

Better recovery capabilities with front tow hooks

Cons

Highest original purchase price

Wider turning radius

More important to stick to maintenance schedule to maintain reliability

Combined fuel economy 2 mpg lower than option 2, 1 mpg lower than option 1

Alternate Vehicle Quotes

Stivers Ford

2026 F-150 Police Responder Supercrew 4x4

\$49,900

Additional options

- Chrome front/rear bumpers
- Black platform running boards
- Engine block heater
- Fog lamps
- 18" aluminum wheels
- Remote key fobs
- Integrated trailer brake controller
- Rear window defrost

2027 Police Interceptor Utility SUV 3.3L TI-VCT V6 Engine

\$46,900

Additional options

- Rear door/window interior handles inoperable
- Engine block heater
- Driver side spot lamp
- Noise suppression bonding straps
- Deflector plate
- Rear console mounting plate

*I am still waiting on additional vehicle upfitting quotes from a business in Cedar Rapids and one in Des Moines.

*Chevrolet Tahoe police vehicles currently have widespread problems with oil consumption and Dodge Pursuit vehicles currently have widespread problems with engine reliability/failure and other mechanical problems, so I did not research quote information for those vehicles.

Current listings for used comparables for options 1, 2, & 3. (as of 10/23/2026)

*Older F150 comps are not pursuit rated vehicles

Hey Tyler,

We have partnered with ID.me. If you can provide your ID.me verification, I'd be happy to honor the 10% discount!

On Fri, Oct 16, 2026 at 1:58 PM Tyler Hunt <thunt@citycascade.com> wrote:
Thanks Dawson. Is there a discount for law enforcement/first responders available?

Hi Tyler,

Thank you for reaching out and I apologize for any communication gap.

For the locks, are you looking for the set of 2 for the Drawers only, or are you wanting the set of 6 for the two Drawers and 4 stash bins?

Let me know!

Factory Specifications
2026 Ford Police Interceptor Utility 3.3L AWD

SALES CODE: K8A, 99B

Manufacturer Vehicle Highlights

FEATURES:

- Includes 3.3L V6 Direct-Injection Powertrain (Optional). Also available a 3.3L FEVH (Standard) or a 3.0L EcoBoost (optional).
- Standard equipment: police engine idle, police perimeter alert and police dark car.
- 8" color center stack smart display screen.
- 12.3" LCD digital cluster.
- Rear auxiliary air conditioning system.
- Ford Pro™ Vehicle Integration System 2.0.
- 100-watt siren/speaker prep kit.

SAFETY:

- Ford Police Interceptors are designed and engineered for the 75 mph rear-impact crash test.
- Optional Automatic Emergency Braking (AEB) features unique temporary disable switch for law enforcement.
- Optional Level III+ IV+ NIJ Ballistic Panels – includes additional LAPD special threat rounds.
- Rear camera on-demand (optional ¼ size picture in picture).

DURABILITY:

- Heavy-duty cooling system.
- Heavy-duty braking system.
- Heavy-duty sub-frame components.

PERFORMANCE:

- Police-calibrated powertrains and police-tuned suspension system.
- Standard AWD provides optimum handling in various road conditions: normal, pursuit, deep snow/sand mode – steering wheel switch execution.

Factory Specifications 2026 Ford F-150 Police Responder EcoBoost 4WD

SALES CODE: W1P

Manufacturer Vehicle Highlights

The 2026 Ford F-150 Police Responder® combines on-road pursuit performance with built Ford tough off-road capability. The F-150 Police Responder provides a 120 mph top speed and offers a torque-on-demand 4x4 transfer case with a 4-Auto mode that features set it and forget it capability. Standard police engine idle feature permits officers to quickly remove the key from the ignition and exit the vehicle, while allowing the vehicle to remain securely idling to support lights, sirens and other on-board equipment.

SAFETY:

- Police perimeter alert.
- Standard built-in steel intrusion plates in front seat backs.
- Rear view camera with dynamic hitch assist.
- Pre-Collision Assist with AEB (includes law enforcement temporary disable switch).
- BLIS with Cross-Traffic Alert.
- SOS Post-Crash Alert System™.

DURABILITY:

- Standard FX4 off-road package featuring heavy-duty shocks, skid plates and electronic locking rear axle.
- Severe duty brake pads and brake calipers.
- Police-grade heavy-duty cloth front seats.

PERFORMANCE:

- Standard 3.5L EcoBoost® engine generating 400 HP and 500 ft/lbs of torque.
- 120 mph top speed.
- Most payload (1,950 lbs), standard towing (7,000 lbs) and optional towing (11,200 lbs) of any pursuit-rated police vehicle.

2027 POLICE INTERCEPTOR UTILITY

PROPRIETARY

POLICE INTERCEPTOR MAJOR PRODUCT CHANGES

Unique Police Interceptor Utility Features Include:

MODEL/SERIES/AVAILABILITY

- 3 Pursuit Rated Available Models
 - 3.3L V6 Direct-Injection Hybrid Engine System
 - 3.3L V6 Direct-Injection AWD(Late Availability)
 - 3.0L V6 EcoBoost® AWD
- 1 Available Series
 - 500A

MECHANICAL

- 3.3L Police-Calibrated V6 Direct-Injection Hybrid Engine System – Standard (Hybrid technology is optimal for performance and long days spent idling on the job)
- AWD Drivetrain – Standard for enhanced handling precision and unsurpassed traction on wet or dry surfaces
- Transmission – 10-speed automatic, police calibrated for maximum acceleration and faster closing speeds
- Lithium-Ion Battery Pack
- Manual Police Pursuit Mode (Steering Wheel Switch Execution)
- Brakes – Police calibrated high-performance regenerative braking system
- 4-Wheel heavy-duty disc w/heavy-duty front and rear calipers
- Brake Rotors – large mass for high thermal capacity and calipers with large swept area.
- Electric Power-Assist Steering (EPAS) – Heavy-Duty
- DC/DC converter – 220-Amp (in lieu of alternator)
- H8 AGM Battery (Standard; 850 CCA/92-amp)
- Cooling System – Heavy-duty, large high volume radiator, Engine oil cooler and transmission oil cooler
- Engine Idle Hour Meter
- Engine Hour Meter
- Powertrain mounts – Heavy-Duty
- Class III Trailer Hitch Receiver with 5,000 lbs. towing capacity and (2) recovery hooks
- Note: Includes Class III Trailer Tow Lighting Package
- Wheels
 - Heavy-duty steel, vented with center cap
 - Full size spare tire w/TPMS
- 50-State Emissions System

INTERIOR FEATURES

- Cargo Area – Spacious area for police equipment; Lithium-Ion Battery Pack does not intrude into the cargo area
- Column Shifter
- Seats
 - Front – Police grade cloth – 6-way power-adjustable Manual lumbar, seatback foam designed to comfortably accommodate a utility belt
 - Built-in steel intrusion plates in both front-seatbacks
 - 2nd Row – Police grade vinyl, offers easy care for cleaning
- Flooring – Heavy-Duty vinyl; offers ease of cleaning and long-term durability.
- Speedometer – Certified Calibration, digital readout in message center and analog gauge
- Universal equipment tray atop instrument panel (ideal for radar and other police equipment)

POLICE UPFIT FRIENDLY

- Consistent 11-inch space between driver and passenger seats for aftermarket consoles (9-inch center console mounting plate)
- Console mounting plate
- Dash pass-thru opening for aftermarket wiring
- Headliner – Easy to service
- Integrated LED police flashers (available)
- Two (2) 50-amp battery ground circuits – power distribution junction block (repositioned behind 2nd row seat floorboard).

TECHNOLOGY

- 12.1" Integrated Computer Screen (Available; includes 12.1" touchscreen display in center stack and allows for operation of laptop in remote location to free up cabin space in front passenger area)

TECHNOLOGY (continued)

- Police Perimeter Alert (available; detects and analyzes motion in an approximately 270-degree radius on sides and back of vehicle)
- Rear Camera On-Demand
- Rear Auxiliary Liftgate Lights (available; Red/Blue LED Lights; located beneath liftgate glass in applique panel)
- Rear Spoiler Traffic Warning Lights (LED) – Fully integrated in rear spoiler for enhanced visibility; Provides red/blue/amber directional lighting – fully programmable (available)
- Pre-Collision Assist with Pedestrian Detection (includes Forward Collision Warning and Automatic Emergency Braking and unique disable switch for Law Enforcement use)
- BLIS® – Blind Spot Monitoring with Cross-traffic Alert
- Bluetooth® Interface – Includes hands-free voice command support (compatible with most Bluetooth connected mobile devices)
- Unique Steering Wheel (with 4-remappable latching switches)

SAFETY/SECURITY HIGHLIGHTS

- 75-mph Rear-impact Crash Tested
 - Note: The full-size spare tire secured in the factory location is necessary to achieve police-rated 75-mph rear impact crash-test performance attributes
- AdvanceTrac® w/RSC® (Roll Stability Control®) police tuned gyroscopic sensors work seamlessly with the ABS
- Ballistic Door-Panels (National Institute of Justice (NIJ) certified to stop Type III, IV, all lesser NIJ rounds, as well as additional special threat rounds) (available)
- Exterior Key Locks – Driver, passenger and liftgate
- Simple Fleet Key (w/o microchip, easy to replace, 4-keys)
- Police Engine Idle feature
- Reverse Sensing

GENERAL

- Underbody deflector plate no longer standard on EcoBoost® models (order 76D)
- Front Headlamp Lighting Solution now includes Red/Blue/White LED Strobes

WARRANTY

- 3 Year / 36,000 Miles Bumper / Bumper
- 8 Year / 100,000 Miles Hybrid Unique Components

POWERTRAIN CARE EXTENDED SERVICE PLAN

- 5-year/100,000-mile Powertrain CARE Extended Service Plan (zero deductible) – Standard

2027 POLICE INTERCEPTOR UTILITY STANDARD EQUIPMENT

The following items are std. 2027MY POLICE INTERCEPTOR UTILITY vehicle:

MECHANICAL

- Axle Ratio – 3.73 (AWD)
- Brakes – 4-Wheel Heavy-Duty Disc w/H.D. Front and Rear Calipers
- Class III Trailer Hitch Receiver with 5,000 lbs. towing capacity and (2) recovery hooks
- **Note:** Includes Class III Trailer Tow Lighting Package
- Column Shifter
- DC/DC converter – 220-Amp (in lieu of alternator)
- Drivetrain – All-Wheel-Drive
- Electric Power-Assist Steering (EPAS) – Heavy-Duty
- Engine – 3.3L V6 Direct-Injection Hybrid Engine System
- Engine Hour Idle Meter
- Engine Hour Meter
- Engine Oil Cooler
- Fuel Tank – 19-gallons
- H8 AGM Battery (850CCA/92-amp)
- Lithium-Ion Battery Pack
- Manual Police Pursuit Mode (Steering Wheel Switch Execution)
- Suspension – independent front & rear
- Transmission – 10-speed automatic
- Transmission Oil Cooler

EXTERIOR

- Antenna, Roof-mounted
- Cladding – Lower bodyside cladding (MIC)
- Door Handles – Black (MIC)
- Exhaust, True Dual (down-turned)
- Daytime Running Lamps – Configurable ON/OFF through instrument cluster
- Door-Lock Cylinders (Front Driver / Passenger / Liftgate)
- Glass – 2nd Row, Rear Quarter and Liftgate Privacy Glass
- Grille – Black (MIC)
- Headlamps – Automatic, LED Low-and-High-Beam
- **Note:** Includes Front Headlamp / Police Interceptor Housing (with LED wig-wag feature)
 - Pre-drilled hole for side marker police use, does not include LED strobe, but includes LED wig-wag functionality (eliminates need to drill housing assemblies and provides LED wig-wag feature)
 - Pre-molded side warning LED holes with standard sealed capability (does not include LED installed lights)
 - Wig-wag default is traditional ping-pong pattern; can be programmed to triple-burst pattern or ping-pong / triple-burst
 - **Note:** Must be wired to vehicle's light controller to enable wig-wag functionality; recommend Upfilter Prep Package (67D) or Ultimate Wiring Package (67U)
- Liftgate – Manual 1-Piece – Fixed Glass w/Door-Lock Cylinder
- Mirrors – Black Caps (MIC), Dual Pwr/Heated/Manual Fold Back Mirror
- Spare – Full size 18" Tire w/TPMS
- Spoiler – Painted Black
- Tail lamps – LED
- Tail Lamp Prep Kit
- Tires – 255/60R18 A/S BSW
- Wheel-Lip Molding – Black (MIC)
- Wheels – 18" x 8.0 painted black steel with polished stainless steel hub cover
- Windshield – Acoustic Laminated

INTERIOR/COMFORT

- Cargo Hooks in cargo area
- Climate Control – Dual-Zone Electronic Automatic Temperature Control (DEATC)
- Climate Control – Rear Aux A/C System
- Dark Car
- Door-Locks
 - Power
 - Rear-Door Handles and Locks Operable
- Fixed Pedals (Driver Dead Pedal)
- Floor – Flooring – Heavy-Duty Thermoplastic Elastomer
- Glove Box – Locking/non-illuminated
- Grab Handles – (1 – Front-passenger side, 2-Rear)
- Heated Sanitization Solution
- Liftgate Release Switch located in overhead console (45 second timeout feature)
- Lighting
 - Overhead Console
 - Red/White Task Lighting in Overhead Console
- Mirror – Day/night Rear View
- Particulate Air Filter
- Powerpoints – (2) USB A+C Type Ports
- Rear-window Defrost
- Scuff Plates – Front & Rear

INTERIOR/COMFORT (continued)

- Seats
 - 1st Row Police Grade Cloth Trim, Dual Front Buckets with reduced bolsters
 - 1st Row – Driver 6-way Power track (fore/aft, Up/down, tilt with manual recline, 2-way power lumbar)
 - 1st Row – Passenger Manual Seat with 2-way manual recline and 2-way manual lumbar
 - Built-in steel intrusion plates in both driver/passenger seatbacks
 - 2nd Row Vinyl, 35/30/35 Split Bench Seat (manual fold-flat, no lumbar) – fixed seat track
- Red and White Dome Lamp in Cargo Area
- Speed (Cruise) Control
- Speedometer – New LCD 12.3" Display Certified Calibrated (includes digital readout)
- Steering Wheel – Manual / Tilt / Telescoping, Urethane wheel finish w/Silver Painted Bezels with Speed Controls and 4 user – configurable latching switches
- Sun visors, color-keyed, non-illuminated
- Universal Top Tray – Center of I/P for mounting aftermarket equipment
- Windows, Power, 1-touch Up/Down Front Driver/Passenger-Side with disable feature

SAFETY/SECURITY

- AdvanceTrac® w/RSC® (Roll Stability Control®)
- Airbags, dual-stage driver & front-passenger, side seat, passenger-side knee, Roll Over Protection Airbags and Safety Canopy®
- Anti-Lock Brakes (ABS) with Traction Control
- BLIS® – Blind Spot Monitoring with Cross-traffic Alert
- Brakes – Police calibrated high-performance regenerative braking system
- Belt-Minder® (Front Driver / Passenger)
- Rear Cross Traffic Brake Assist
- **Note:** Includes unique one-touch temporary disable switch for Law Enforcement use
- Child-Safety Locks (capped; set to "on")
- Individual Tire Pressure Monitoring System (TPMS)
- LATCH (Lower Anchors and Tethers for Children) system on rear outboard seat locations
- Police Perimeter Alert detects motion in an approximately 270-degree radius on sides and back of vehicle; if movement is determined to be a threat, chime will sound at level I. Doors will lock and windows will automatically go up at level II. Includes visual display in instrument cluster with tracking
- Pre-Collision Mitigation system
- **Note:** Includes unique one-touch temporary disable switch for Law Enforcement use
- Rearview Camera viewable on 8" Center Stack Screen
- 1/4 Scale Rear Camera Display (Available)
- Seat Belts, Pretensioner/Energy-Management System w/adjustable height in 1st Row
- SOS Post-Crash Alert System™

FUNCTIONAL

- 100 Watt Siren/Speaker Prep Kit
- Cellular Remote Start
- Compass Display
- Speed Control
- Audio
 - AM/FM / MP3 Capable / Clock / 4-speakers
 - SYNC® Phoenix — Includes hands-free voice command support (compatible with most Bluetooth connected mobile devices)
 - USB Port — (1)
 - 8" Color LCD Screen Center-Stack "Smart Display"
 - Supports Android Auto and Apple CarPlay
- Vehicle Integration System 2.0 Located behind 2nd row passenger seat floorboard
- **Note:** Capable of outputting 100 Amps of Power shared with Power Distribution Box™
- Easy Fuel® Capless Fuel-Filler
- Fleet Telematics Modern
 - Allows data to be provided to support Ford Pro™ Telematics and Data Services via optional subscription, including but not limited to: vehicle location, speed, idle time, fuel, vehicle diagnostics and maintenance alerts. Device enables optional telematics services through Ford or authorized providers via paid subscription. Subscribe at <https://fordpro.com/en-us/telematics/> or call 1-833-811-FORD (3673)
- Front door tether straps (driver/passenger)
- PATRO output tied to liftgate release switch (Police Accessory Independent Timed-Release Output)
- Police Engine Idle
- Power pigtail harness

October 26, 2026 Agenda

Date: October 22, 2026
To: Mayor, City Council and Staff
RE: \$100,000 CD
From: Deanna McCusker, City Administrator

With the sale of the library complete, we have funds that could be set aside in a higher interest CD to assist with the public safety campus project. We are currently earning 4.15% on our Money Market at Ohnward Bank & Trust.

We checked with both Ohnward Bank & Trust and Fidelity Bank & Trust on their current 12-month and 18-month CD rates.

Ohnward Bank & Trust

12-month	4.30% APY
18-month	4.35% APY

Fidelity Bank & Trust

12-month	4.35% APY
18-month	4.55% APY

Both Ohnward and Fidelity are approved financial institutions for the City of Cascade. I would recommend that we deposit \$100,000 in Fidelity for the 18-month CD. If council is agreeable, Resolution #104-26 is ready to be approved.

RESOLUTION #104-26

**RESOLUTION AUTHORIZING THE DEPOSIT OF \$100,000 FROM THE OLD
LIBRARY SALE INTO AN 18-MONTH CD DESIGNATED FOR THE PUBLIC SAFETY
CAMPUS PROJECT**

WHEREAS, the Cascade City Council desires to set aside funds for the planning, design and construction of the Public Safety Campus Project; and,

WHEREAS, the interest rates on an 18-month CD at Fidelity Bank & Trust is at 4.55% APY, which is higher than our current interest rate on our Ohnward Bank & Trust Money Market account; and

WHEREAS, the Cascade City Council wishes to deposit \$100,000 into an 18-month CD to earn additional interest while moving forward with the planning and designing of the Public Safety Campus project.

NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA, that:

Section 1. That the City Council hereby authorizes depositing \$100,000 into an 18-month CD at Fidelity Bank & Trust for the Public Safety Campus Project.

Section 2. The City Administrator and City Clerk are authorized to sign the paperwork establishing an 18-month CD with Fidelity Bank & Trust and to designate the CD specifically for the Public Safety Campus project.

PASSED AND APPROVED this 26th day of October, 2026.

Steve Knepper, Mayor

ATTEST:

Adam Schuster, City Clerk

ORDINANCE #08-26

**AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF
CASCADE, IOWA BY AMENDING TITLE VI PHYSICAL ENVIRONMENT,
CHAPTER 5 UTILITIES – BILLING CHARGES, SECTION 5 DISCONTINUING
SERVICE, FEES SUBSECTION 2 LIEN FOR NONPAYMENT**

**THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF
CASCADE, IOWA, as follows:**

**Section 1. TITLE VI PHYSICAL ENVIRONMENT CHAPTER 5 UTILITIES – BILLING
CHARGES.** Title VI Physical Environment Chapter 5 Utilities – Billing Charges of the City
Code is hereby amended as follows.

6-5-5(2) DISCONTINUING SERVICE, FEES.

Section 1. If service is discontinued for nonpayment of fees and charges, a fee of ~~\$25.00~~
\$70.00 shall be paid to the Utility Manager in addition to the rates or charges then due before
such service is restored. If any such service charge is not paid within sixty (60) days from the
date it is due, the same shall constitute a lien upon the premises served by said municipal system,
which said lien shall be collected in the same manner as taxes.

Section 2. Severability Clause. If any section, provision or part of the ordinance shall be
adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the
ordinance as a whole or any section, provision or part thereof not adjudged invalid or
unconstitutional.

Section 3. When Effective. This ordinance shall be in effect from and after its final
passage, approval and publication as provided by law.

PASSED, ADOPTED AND APPROVED this ____ day of _____, 2026.

ORDINANCE #09-26

**AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF
CASCADE, IOWA BY AMENDING TITLE VI PHYSICAL ENVIRONMENT,
CHAPTER 5 UTILITIES – BILLING CHARGES, SECTION 7 CUSTOMER
GUARANTEE DEPOSITS**

**THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF
CASCADE, IOWA, as follows:**

**Section 1. TITLE VI PHYSICAL ENVIRONMENT CHAPTER 5 UTILITIES – BILLING
CHARGES.** Title VI Physical Environment Chapter 5 Utilities – Billing Charges of the City
Code is hereby amended as follows:

6-5-7 CUSTOMER GUARANTEE DEPOSITS.

Section 1. There shall be required from every customer not the owner of the premises served a ~~seventy dollar (\$70.00)~~ one hundred-forty dollars (\$140.00) deposit intended to guarantee the payment of bills for service. The required deposit amount will be waived if the customer provides a letter of credit from a most recent utility provider that shows twelve (12) months of no delinquency on the account. The City does reserve the right to charge a customer, including the owner of the premises, a deposit. The original amount of the deposit, if requested by the customer, will be refunded to the customer or credited to the customer's account after twelve (12) months of continued service so long as during this twelve (12) month period there has been no delinquency on the account. If after the initial deposit has been refunded or credited to the customer's account, the account becomes delinquent, the City does reserve the right to charge another deposit.

Section 2. Severability Clause. If any section, provision or part of the ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

Section 3. When Effective. This ordinance shall be in effect from and after its final passage, approval and publication as required by law.

RE: Garbage Rate Ordinance
From: Deanna McCusker, City Administrator

In 2022, the City entered into an amended contract with Republic Services for garbage and recycling services. Included in the updated contract is 4% rate increase each year beginning in December. Based on a review of the garbage and recycling system, we need to increase the residential garbage fee and the dumpster fee slightly. We also need to ensure we are charging enough to cover our spring and fall cleanups.

Our current residential fee we charge is \$11.50 and Republic's new cost is \$11.70 per residential account. I am proposing to increase this to \$12.00 per residential account. I am proposing to increase the commercial cart cost to \$16.25 since Republic's new cost is \$15.79. I am proposing a \$5 per month increase to the dumpster charges as well.

	Current Rate	Proposed New Rate
2 Yard	\$60.00	\$65.00
3 Yard	\$85.00	\$90.00
4 Yard	\$110.00	\$115.00
6 Yard	\$160.00	\$165.00
8 Yard	\$210.00	\$215.00

Tonight is the first reading, and the 2nd and 3rd readings will be at the November meetings so the ordinance can be published, and the new rates will be reflected on the bills that are sent out in December and due January 15th. I recommend that Council approve this first reading.

Something to keep in mind also, is that our current contract expires on November 30, 2027 and so we will be issuing an RFP for solid waste refuse and recycling late summer next year.

SHOP LOCAL – BUY LOCAL

ORDINANCE #10-26

**AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF CASCADE,
IOWA BY AMENDING
TITLE VI PHYSICAL ENVIRONMENT, CHAPTER 5 UTILITIES – BILLING CHARGES,
SECTION 9 REFUSE COLLECTION RATES**

NOW, THEREFORE, BE IT ENACTED by the City Council of the City of Cascade, Iowa, as follows:

Section I. SECTION MODIFIED. Title VI Physical Environment, Chapter 5, Section 9 “Refuse Collection Rates” of the Ordinances of the City of Cascade, Iowa is repealed and the following adopted in lieu thereof:

106.7.1 Refuse Collection Rates. The City shall charge the following fees for solid waste collection and disposal service, used or available:

6-5-9 REFUSE COLLECTION RATES.

The City shall charge the following fees for solid waste collection and disposal service, used or available:

1. One or two family houses \$12.00 ~~11.50~~ 11.20/month

CITY ADMINISTRATOR REPORT
10/26/26 City Council Meeting

- Lead Service Line annual reminder letters will be drafted and mailed to affected homeowners prior to November 15.
- We plan on flushing hydrants November 2-13
- Voting for Dubuque County residents will be at Cascade City Hall. Jones County residents will vote at Temple Hill. Voting is 7:00am – 8:00pm.
- I am taking my ServSafe manager test Monday at 10am. This allows me to oversee the concession stand at the Community Park and at the pool.
- The annual IAMU Risk Management workshop is Wednesday, October 28 in Ankeny, but there is also a virtual option which I think is what I may do.
- We are busy working on the 3 other annual reports that are due December 1. Annual Financial Report, TIF Certification and Urban Renewal Report.
- I will also be sending out memos to department heads and community groups about submitting their budget requests in the next couple of weeks.
- The DOT is still working through paperwork for the Hwy 136 South project. Once that is through we will receive our final reimbursement of \$91,589.96.
